## DEMOGRAPHICS:

Kaposia Education Center is a large and diverse St Paul suburban school with 783 students, kindergarten through sixth grade. Per grade level, Kaposia has as many as six sections, and as few as four. Of our 783 students 53% receive free or reduced lunch. A breakdown of Kaposia's diverse student body is as follows: 1% Native American, 2% Asian, 7% Black, 28% Hispanic, and 62% White.

## SPECIFICS OF THE PYP:

Kaposia offers a full-school program with six PYP units of inquiry explored at each grade level including an exciting sixth grade exhibition. Kaposia offers Spanish, Physical Education, Music, and Art to all students, with each having developed comprehensive integration of the PYP units of inquiry into their area of specialization.

## UNIQUE FEATURES:

Students and parents/guardians can expect the following: all day-every day kindergarten, KPTC, special education, English Language Learner program, balanced literacy, Reading Corp, high quality technology integration, open Media Center, Math Masters, Geo Bee, Spelling Bee, Kids' Choice, choir, band, Peace Club, Targeted Services, Student Council, preschool, and a variety of Community Education offerings.

Kaposia Education Center- **Shaping Hearts and  
Minds to Create a Better World.**
