

International Baccalaureate (IB) Orientation Seminars 2011-2012

Introducing INTERNATIONAL BACCALAUREATE Programmes

Primary Years Programme (PYP)
Middle Years Programme (MYP)
Diploma Programme (DP)
IB Career-related Certificate (IBCC)

The Minnesota Association of IB World Schools (MNIB) is offering IB Orientation Seminars, the newest level of training of the International Baccalaureate Organization (IBO). The seminar is designed for schools or districts that are exploring whether the selected IB programme is a good match for their students. The Orientation Seminar also provides an excellent overview of IB for new staff in existing Programmes. More information on IBO can be found at: www.ibo.org

Who Should Attend?

Teachers, coordinators, school administrators and administrative staff, school board members, district personnel, and parents are encouraged to come as a team to explore the feasibility of bringing IB to your school. This training can inform parents and new/current staff implementing the Primary Years (PYP), Middle Years (MYP), Diploma (DP) Programmes, and International Baccalaureate Career-related Certificate (IBCC) in existing IB schools. School visits can be arranged for your staff prior/following the Seminar for prospective schools. See contact below.
